**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Independent internet providers are the backbone of competitive fair markets . Changing regulations and driving independents out if the market only benefits the LARGE carries and their attempts to control the internet market. That is unfair, wrong and just plain bad business.

I urge the FCC, its committee members, and any task group assigned to l00k into this, to vote to keep independent internet providers having a shar of the market.
